\*\* Bethany's *Youth Safety Policy* requires more than one adult be present at any event involving youth. Therefore I am requesting one parent/adult be present during confirmation. You are welcome to sit in on the class or you may simply be in the general vicinity and read, etc. I appreciate your help with this and behind each class date I have assigned the student's last name. If you can't be present on that night, please make arrangements to switch with another family and notify me of any changes. Thanks!
