\*\* Bethany's *Youth Safety Policy* requires more than one adult be present at any event involving youth. Therefore I am requesting one parent/adult be present during confirmation. You are welcome to sit in on the class or you may simply be in the general vicinity and read, quilt, etc. I appreciate your help with this and behind each class date I have assigned the student's last name. This student and his/her family are responsible to provide dinner and an adult to be present during class. If you are unable to make it on that date please contact one of the other families and notify me of changes. Thanks!
