

This year's annual day of service within the Evangelical Lutheran Church in America is quickly approaching on Sunday, September 9. The planning team has put together a few opportunities to get involved and they are listed below with the individual to contact if interested.

- Various projects around the West Branch Public Library including painting their meeting room, which gets used by many groups in our community and outdoor cleanup. This is a great opportunity for us to be in the community. We will need several people on this project and you are invited to contact Dave Poppen with questions or to sign-up. His email is: dkpoppen@hotmail.com
- Outdoor cleanup at Bethany. Linda Black is looking for a few people to help around the church grounds weed, trim, and spruce up the flowers and shrubbery. Please contact Linda with questions or to sign-up. Her email is: lblack@lcom.net
- Lutheran Disaster Relief Personal Care Kits - This is a project which will be done at church and can be done by people of all ages. These personal care kits will assist folks following a catastrophic event within our nation and also abroad. Attached to this email is a flier listing the supplies that are needed to make these kits. It is our hope we can assemble 50 kits at a minimum. If you could please bring items to church before September 9, we can then lay them out and be ready to assemble on the 9th. Thanks! Please contact Pastor Chad with any questions.
- Singing at Crestview - This is something we traditionally have done on this date; however, another group is singing at Crestview that morning but we will try and arrange a time to sing at a later date.
- Breakfast - We will gather together for breakfast at 9:00 a.m. and then have a shortened worship service in the Great Hall prior to be sent out. Beth Kaufman is arranging the breakfast so if you are willing to help please contact her at: bkkaufman@lcom.net

As always, you are invited to wear your yellow shirts, jeans, work boots, etc. Hope to see you all there!
