Members of Bethany,

Grace and peace to you in the name of our Lord and Savior Jesus Christ!

At Monday evening's council meeting, it was decided the building will continue to be closed through June 30 and we will continue with online worship services. There continues to be precautionary measures located within ***Consideration for Returning to In-person Worship Being Church Together During the COVID-19 Pandemic*** (Evangelical Lutheran Church in America; May 12, 2020) we have not yet surpassed to consider gathering again in-person.

In the meantime, we are evaluating and exploring various possibilities of where, when, and how we may worship when we do gather again in-person. Online worship will continue no matter what. We will again review the statistics at the end of the month to determine a next course of action. Our concern is for the safety and well-being of all our members.

Blessings!

Del Hughes, Council President
