Come and see

People like Martin Luther King Jr. followed God's word. They told others to "come and see" Jesus with their words and actions. We can do it too.

Solve the puzzle. Remember its words through the week. One is done for you as an example.

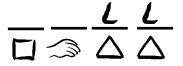

-(Psalm 40:9)

$$V = \mathcal{N}$$

$$L = \Delta$$

$$E = \bigvee L = \triangle \qquad T = \bigotimes W = \square$$

$$W = \square$$

$$G = \bigcirc \longrightarrow U = \bigcirc \longrightarrow Y = \bigvee$$

This week

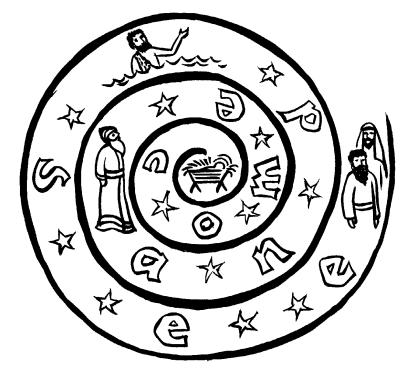

Play the game of "telephone," whispering a message from person to person in your family or neighborhood. Does the message change as it's passed?

gather

Welcome to worship.

More people hear Jesus' story in today's gospel.

Look at the pictures in the circle to remember the stories from the past Epiphany weeks. Begin at the center to find an Epiphany message. Print it here:

Spread the news

John 1:29-42
News about Jesus
spread from John the
baptizer to the
disciples, including
Andrew and Simon
Peter. The disciples

spread the news to even more people. We are in the chain of believers too.

Draw yourself in an empty link.

Dear Lord, help us share your message of love and belonging with others. Amen

Remember those who have told you about Jesus. Pray a prayer of thanks for them.
