### Treasure It

Peter wrote a letter to his friends to tell them that their faith is more precious than gold. What is most important to you?

Draw or write about these things on the coins.

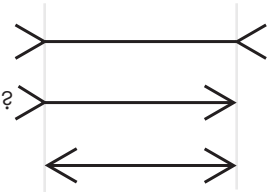

At first, Thomas did not believe that Jesus was alive. Thomas had to **see for himself** before he believed.

Optical illusions trick the eye into believing something about what it sees. Look at these optical illusions.

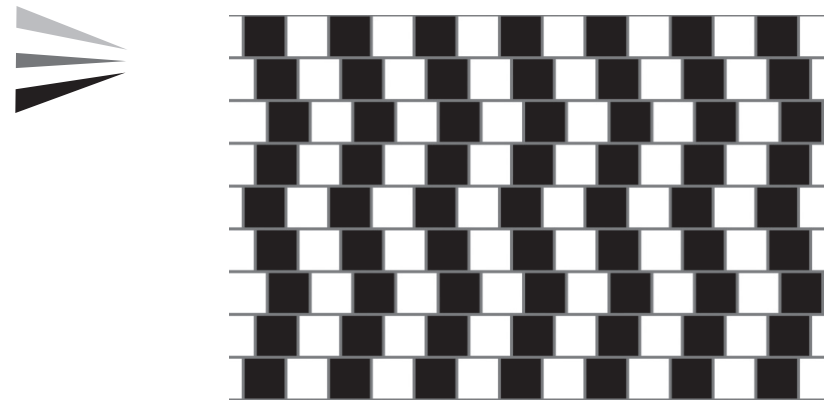

### The Line Length Illusion

Do you believe that these lines are all the same length?

### The Café Wall Illusion

Look at the lines and the black and white squares. Do you believe that the lines going left to right are straight across or bent?

### The Hermann Grid Illusion

Look at these black squares with the white lines between them. Do you believe there are gray blobs where the white lines cross each other?
