It wasn't until Jesus shared a meal with the two men that they recognized him. What is one thing about your family members and friends that you would recognize, even if they looked different? Draw or write about it in these loaves of bread.

The road from Jerusalem to Emmaus was about 60 stadia. One stadion is about 610 feet or 185 meters. That makes the distance to Emmaus about 7 miles or 11 kilometers.
