Hurricane Response

The situation:

Hurricane Helene hit the coast of Florida as a Category 4 hurricane, dropping heavy rains on the southeastern United States and leaving millions of people without power. As the storm has moved inland, it has caused dangerous flooding and landslides, as well as downed trees and power lines.

Our response:

Lutheran Disaster Response works with its partners to provide immediate relief, such as water, food, clothing, gift cards, tarps and other needs. Since many hurricanes also require a long-term response, Lutheran Disaster Response provides support on the long road to recovery with disaster case management, construction management, attention to unmet needs, and emotional and spiritual care.

What you can do:

Pray

Please pray for the safety of communities impacted by hurricanes, including people in their paths and any emergency services personnel who are responding. May God's healing presence give them peace and hope in their time of need. Pray that God will deliver comfort to those who mourn and strength to those working diligently to rescue survivors.

Give

Your gifts will support disaster-impacted communities. Gifts to [Lutheran Disaster Response](#) equip us to respond to those affected by hurricanes and related disasters, such as mudslides, severe storms and flooding. These gifts also empower us to respond to disasters whenever and wherever they strike.
