"God's work. Our hands." is Sept. 7, 2025!

This day is an opportunity to celebrate who we are as the Evangelical Lutheran Church in America

Service activities offer an opportunity for us to explore one of our most basic convictions as Lutherans: that all of life in Jesus Christ – every act of service, in every daily calling, in every corner of life — flows freely from a living, daring confidence in God's grace.

BLC is organizing three service opportunities, welcoming all ages and skill levels to participate and experience the joy of helping others:

1. **Serving People** – Help members of our congregation and community with household tasks such as minor repairs, cleaning, or moving assistance.

   Do you need a helping hand? Know someone who might? Please contact:
   • David Poppen – (563) 940-8012, dkpoppen@hotmail.com
   • Darla Crosthwaite – (563) 357-3624, darlakc2011@hotmail.com

2. **Serving Our Church** – Join us in caring for our church property through landscaping, cleaning, and light repair projects to help beautify our shared place of worship.
3. **Serving Those in Need** – Help assemble school supply kits for children in our community who could use a little extra support as they head back to school.

🗓️ Mark your calendar and join us!

Let's be the hands of Christ in our church, community, and beyond.

Reaching out to find those who would benefit from our services:

- Need help around the house.
- Do you have a few items that you don't know how to get repaired?
- Do you have things that you used to be able to do but now find difficult and frustrating.

Bethany Lutheran Church is organizing a repair day. God's Work Our Hands is a program where the church reaches out to help community members get things done. Typical projects include light cleaning, small landscaping or painting jobs, small repairs around the house, moving furniture.

Please contact David Poppen if you have any projects that you need done.
