Re: Special Congregational Meeting; August 30, 2026

Dear Bethany Members,

The council is calling a special congregational meeting to seek congregational approval to move forward with a project to make necessary repairs to the bell tower and stucco on the church exterior, as well as to paint the exterior of the building.

Following a recommendation from the Building and Grounds Committee, the council has approved moving forward with a contract with Robertson's Painting and Construction in the amount of $17,441.08. Because the contract exceeds $5,000, our Constitution and Bylaws require congregational approval.

The special congregational meeting will be held Sunday, August 30, immediately following worship. Announcements will be made during worship the next two Sundays. Howard Moss will be available after worship this Sunday to answer any questions you may have prior to the special congregational meeting.

Your participation is greatly appreciated. Please note that our Constitution requires 30 voting members present for a quorum. A "voting member" is defined as follows:

> **C8.02.c** Voting members are confirmed members. Such confirmed members, during the current or preceding calendar year, shall have communed in this congregation and shall have made a contribution of record to this congregation.

Please contact me with any questions or concerns.

Sincerely,

Dale Swenson
Council President
