PASTOR CHAD SABBATICAL

After much discernment, prayer, reflection, and time, a sabbatical has been approved for Pastor Chad. The Church Council and Sabbatical Committee have worked diligently to make this opportunity possible. This will be a first for Bethany.

We invite you to visit our website (click here) and read the letter, which provides greater detail about the sabbatical and will hopefully answer many of your questions. You will also find Bethany's Sabbatical Policy and Pastor Chad's Sabbatical Plan available for review below.
